

Springfields Employees' Medical Research & Charity Trust Fund

Funding application

Case number
Trust Fund use only

The Springfields Employees' Medical Research & Charity Trust Fund was set up in 1985 and has purchased over £1million worth of equipment on behalf of registered charities and medical organisations.

The Trust Fund does not make monetary donations but will consider purchasing items of equipment on behalf of charities and medical organisations within the Springfields travel to work area – which is broadly defined as Lancashire.

Some guidelines

- Please submit your funding request using this application form. Additional supporting information may be submitted if required
- Requests for assistance outside the Springfields travel to work area may be considered if they offer specialist services not available in our catchment area, but which are available to people from within our area
- No organisation will receive assistance for more than three consecutive years
- Contributions towards larger projects are not normally given unless to buy specified items of equipment
- All applications submitted are fully assessed and a response will be forwarded to the applicant once the Trust Fund Committee has considered the request
- If you answer 'Yes' to any of the following questions, we regret that you are not eligible for assistance according to our criteria:-

<i>We are a profit making organisation</i>
<i>Our activity/event raises money for a third party fundraising organisation</i>
<i>Our organisation promotes a political party/view</i>
<i>We are seeking assistance for overseas organisations or we are a UK charity donating overseas</i>
<i>All beneficiaries of any assistance provided live outside the Springfields travel to work area</i>
<i>We are seeking a donation, not equipment</i>

Your application

Name of organisation	
Address of organisation	
Charity's website Facebook Account Twitter Account	
Contact Name	
Contact Address (if different from Organisation's address)	
Telephone number	
Email address	

<p>Please give brief details of your organisation and the equipment you are requesting funding for.</p> <p>Please also briefly describe how the equipment will benefit your organisation</p> <p>You may provide additional supporting information if necessary</p>
