

Shravan Chopra

Chief Strategy Officer

Shravan Chopra is Chief Strategy Officer at Westinghouse Electric Company. In this role, he is responsible for overseeing the development and execution of Westinghouse's enterprise strategy and priority growth initiatives, mergers and acquisitions (M&A), corporate risk and enterprise transformation.

Mr. Chopra joined Westinghouse in 2019 as Vice President of Financial Planning & Analysis (FP&A) and Treasury and has played a key role in enhancing the reporting and business analysis. He was also instrumental in leading numerous capital market and enterprise-level transactions. Most recently, Mr. Chopra served as Chief Financial Officer from 2023 to 2026. Prior to joining Westinghouse, he worked at Exelon Corporation for 18 years and held multiple roles in finance with increasing responsibility. Just prior to leaving Exelon, Mr. Chopra was Senior Vice President, Finance and Treasurer and was responsible for financial reporting, business planning, shared service finances and ensuring adequate liquidity for the company and its subsidiaries. Earlier in his career, he led Exelon's M&A function.

He holds a bachelor's degree in economics from the University of Delhi and a Master of Business Administration from Duke University. Mr. Chopra is also a chartered accountant.
